

KKR Appoints Dane E. Holmes as Chief Administrative Officer

December 14, 2023

NEW YORK--(BUSINESS WIRE)-- KKR today announced the appointment of Dane E. Holmes as Chief Administrative Officer (CAO), effective December 29, 2023. As CAO, he will join the firm's leadership team and oversee and work with the existing leaders of a number of key functions, including KKR's Human Capital, Communications, Marketing, Sustainability, and Citizenship teams.

Mr. Holmes assumes the CAO position after having been a member of KKR's Board of Directors since March 2021. Concurrent with this appointment, Mr. Holmes is resigning from his Board position to transition into the new role.

"Having had the opportunity to work closely with Dane over the last two years, we have been continuously impressed by his ideas, business acumen and aptitude for building and leading high performing teams," said KKR's Co-Chief Executive Officers Joe Bae and Scott Nuttall. "We are thrilled to add him as a new member of our leadership team focused on the care and growth of our people, our organization, our brand and our impact on society."

Mr. Holmes joins KKR from Eskalera Inc., an enterprise software company focused on employee engagement and productivity that he co-founded and has led as Chairman and CEO since 2020. Prior to Eskalera, he held several global roles at Goldman Sachs, including Global Head of Human Capital Management, Global Head of Pine Street, an in-house leadership development initiative, and Global Head of Investor Relations. He also served on numerous committees at the firm, including the Management, Partnership, Risk, Client and Business Standards, Finance, and Global Diversity committees. Mr. Holmes has served on the boards of several non-profit organizations and is the current Chairman of Storycorps and the former Chairman and current board member of The Ron Brown Scholar Program.

"Since joining KKR's Board in 2021 and witnessing the firm's work firsthand, I have developed a deep respect for KKR's mission, culture, global team and differentiated business model," Mr. Holmes said. "KKR's growth trajectory over the last decade has been remarkable and I am honored to have even more of a front row seat on the exciting journey ahead."
