

KKR Completes Acquisition of Envision Healthcare Corporation

October 11, 2018

NASHVILLE, Tenn.--(BUSINESS WIRE)-- Envision Healthcare Corporation ("Envision" or the "Company") (NYSE: EVHC) today announced the completion of the previously announced acquisition of Envision by global investment firm KKR.

As a result of the completion of the merger, Envision has become a wholly owned subsidiary of funds affiliated with KKR, and Envision stockholders will receive an amount in cash equal to \$46.00 per share of Envision common stock. As a result of the completion of the merger, shares of Envision's common stock ceased trading on the NYSE prior to the opening of the NYSE today.

About Envision Healthcare Corporation

Envision Healthcare Corporation is a leading provider of physician-led services and post-acute care, and ambulatory surgery services. At June 30, 2018, we delivered physician services, primarily in the areas of emergency department and hospitalist services, anesthesiology services, radiology/tele-radiology services, and children's services to more than 1,800 clinical departments in healthcare facilities in 45 states and the District of Columbia. Post-acute care is delivered through an array of clinical professionals and integrated technologies which, when combined, contribute to efficient and effective population health management strategies. The Company owns and operates 261 surgery centers and one surgical hospital in 35 states and the District of Columbia, with medical specialties ranging from gastroenterology to ophthalmology and orthopedics. In total, the Company offers a differentiated suite of clinical solutions on a national scale, creating value for health systems, payors, providers and patients.
