## **About KPE**

KKR Private Equity Investors, L.P. is a Guernsey-based limited partnership that seeks to create longterm value primarily by participating in private equity investments sponsored by KKR. Formed in April 2006 to provide complementary capital for KKR-sponsored private equity funds, KPE enables certain public market investors to invest in KKR-sponsored investments. KPE plans to invest at least 75% of its assets in KKR-sponsored private equity investments. Up to 25% of KPE's assets may be committed to opportunistic and other investments identified by KKR that are outside the scope of KKR's traditional private equity investments. KPE makes its investments through another Guernsey limited partnership, KKR PEI Investments, L.P., as its sole limited partner.

The common units and related restricted depositary units of KPE are subject to a number of ownership and transfer restrictions, including restrictions that limit the ability of U.S. persons to acquire or hold such securities. Information concerning these ownership and transfer restrictions is included on the Investor Relations section of KPE's website at www.kkrpei.com.
