

Harman International Industries to be Acquired by KKR and GS Capital Partners

Harman Stockholders Can Elect to Receive \$120 Per Share In Cash or Shares in Post-Transaction Company

Transaction Valued at Approximately \$8 Billion

WASHINGTON, April 26, 2007 – Harman International Industries, Inc. (NYSE: HAR) today announced that it has entered into an agreement to be acquired by affiliates of Kohlberg Kravis Roberts & Co. L.P. (“KKR”) and GS Capital Partners (“GSCP”) in a transaction valued at approximately \$8 billion. The transaction was unanimously approved by the Harman Board of Directors, following the recommendation of a Special Committee of independent directors. KKR initiated discussions with Harman and structured the transaction so that current Harman stockholders have the opportunity to participate in the future upside potential of the enterprise. The company will continue to be named Harman International Industries and Dr. Sidney Harman, Founder and Executive Chairman, will remain Executive Chairman.

Dr. Harman stated: “We are pleased to reach an agreement with KKR and GSCP that is in the best interest of our stockholders, presenting them with excellent value for their shares and the opportunity to participate in Harman’s future growth. KKR and GSCP are two of the world’s leading private equity investors and our Board of Directors strongly believes that this transaction will create attractive long-term opportunities for our employees, customers and business partners. Together, we will continue to execute our strategic plan, capitalize on new opportunities, and build on our history of product innovation and service excellence.”

Henry R. Kravis, Co-Founding Member of KKR, said, “Harman is one of the world’s outstanding providers of audio equipment and infotainment systems with an unparalleled portfolio of legendary brands and strong customer relationships. Since founding Harman more than 50 years ago, Dr. Sidney Harman has brought exceptional vision to the company and we are proud to work with him and the management team to continue building the value of their company.”

Under the terms of the agreement, Harman stockholders will be entitled to receive \$120 in cash for each share of Harman common stock they hold. As an alternative to receiving the cash consideration, Harman’s stockholders will be offered the opportunity to elect, on a purely voluntary basis, to exchange some or all of their shares of Harman stock for shares in the new corporation incorporated by KKR and GSCP in order to acquire Harman. The total amount of Harman shares that may elect to receive shares in the post-transaction corporation is approximately 8.3 million, which would represent \$1.0 billion (at the \$120 per share transaction value) and an approximate 27% equity stake in Harman following the transaction. If elections for post-transaction shares exceed the \$1.0 billion cap, post-transaction shares will be allocated to electing stockholders on a pro-rated basis, and the remaining Harman shares will be exchanged for cash. The election process will be fully detailed in the proxy statement/prospectus that will be mailed to Harman stockholders.

Dr. Harman, who owns approximately 5% of the outstanding common stock of Harman, will participate in the same election process available to all stockholders. He has committed that he will elect to exchange half of his current holdings for post-transaction shares, subject to the same pro ration that applies to all stockholders as described above.

Under the agreement, Harman may solicit proposals for alternative transactions from third parties for a 50-day period ending on June 15, 2007. Harman’s Board of Directors will work with its independent advisors to solicit proposals during this period. There can be no assurances that this solicitation will result in an alternative transaction. Harman does not intend to disclose developments with respect to this solicitation process unless and until its Board of Directors has made a decision regarding any alternative proposals.

Completion of the transaction, which is expected to occur in the third quarter of 2007, is subject to the approval of Harman stockholders, customary closing conditions and regulatory approvals. The Board of Directors of Harman has unanimously recommended that Harman stockholders vote in favor of the transaction.

The stock of the new corporation issued to current shareholders in exchange for their existing shares will be registered with the U.S. Securities and Exchange Commission. The shares will not be listed on any exchange, although the buyers expect that there will be market makers in the stock.

Bank of America Securities LLC, Credit Suisse, Goldman Sachs and Lehman Brothers have committed debt financing for the transaction, subject to customary terms and conditions, and are also acting as financial advisors to KKR and GSCP. Simpson

Thacher & Bartlett LLP is acting as legal advisor to KKR and GSCP. Bear Stearns & Co. is acting as Harman's financial advisor. Wachtell, Lipton, Rosen & Katz is providing legal counsel to the Special Committee of the Harman Board of Directors, and Jones Day is providing legal counsel to Harman.
